Qualifications in Using Employability Skills

The qualifications covered are:

- Entry Level 3 Award in Using Employability Skills.
- Entry Level 3 Certificate in Using Employability Skills.
- Entry Level 3 Diploma in Using Employability Skills.

This suite of qualifications in Using Employability Skills has been designed to address the needs of learners working at Entry Level and in particular those with learning difficulties and disabilities. The qualifications ensure that all learners are given the same opportunities to access appropriate and relevant education and improve their life chances. The qualifications provide a foundation for lifelong learning focussing on transferable social, life and work skills which are essential for living and working in the community.

These qualifications will provide learners with an opportunity to:

- Raise awareness and develop skills around issues that they are likely to face.
- further develop skills in specific vocational areas.
- Build on previous achievement of an award but also allow for a more in depth look at some of the skill areas and ensure, through the range of units available, that a breadth of skill areas is covered.

How long will it take me to achieve this qualification?

Award:	80 hours
Certificate:	140 hours
Diploma:	370 hours

How is this qualification assessed?

The qualifications are internally assessed. Learners must provide evidence of learning and achievement against all the assessment criteria specified within each unit. These qualifications are vocationally based qualifications and as such, the units offer the opportunity for learners to achieve a balance of practical skill and knowledge.

What next?

On successful completion of an Entry Level 3 qualification in Using Employability Skills, a learner can progress onto level 1 or 2 qualification, or another vocational course such as Level 1 or 2 qualifications in Customer Service, Retail or Business Administration.
